APPEAL FILED OCTOBER 22, 1997**

Assistant Commissioner for Patents

Sir:

This communication is being filed to withdraw a Notice of Appeal inadvertently filed by facsimile October 22, 1997 in the above-referenced case. At this time Applicants do not wish to file a Notice of Appeal and request that the inadvertently filed Notice of Appeal be ignored and discarded. The Appeal fee was to be charged to Deposit Account No. 06-1300 (Order No. A-54528-9/WHI/DAV). Applicants respectfully request that any charges be credited back to the deposit account.

Regarding the Amendment filed by facsimile October 22, 1997, Applicants request that this Amendment be entered and considered. However, Applicants inadvertently mislabeled and refer to this Amendment as being "after final" under 37 C.F.R. § 1.116. In fact, it is not, and should not be considered as such. However, since the Amendment is substantially correct, Applicants simply request the Examiner to relabel this document as not being under 37 C.F.R. § 1.116, rather than burdening the Patent Office by filing an entirely new supplementary document to correct this obvious error.

If the Examiner requires more than this request to rectify the errors described herein, please call the undersigned at 415 781-1989.

Respectfully submitted,
